Aruta Klavis

Sr. 10/11

Lynch, Ky. 40855

With all my friends
and have been friends
for a very long time
and have never
enjoyed every moment
of my life. I credit
you with the credit
for your good looking
and I wish you luck
in all your endeavors
(I hope power to the people)

Take Care of yourself But Don't
Forget Others for you'll Need them
Someday. Do your Best in
Whatever you attempt and Don't
Be Ashamed When you do it."

To: Aruta Davis

Love, Peace, Power let me put up your
Aruta, To a lovely young lady that I have
been stuck on for quite some time. You
have never failed to blow my mind
with your charm and good looks.
I really wish that I could call
you mine and that we could share a
thing so "boss" that we would never
be separated by those who also seek
your love.
But of course this is only a
wish and unfortunately they don't
always come true.
I sincerely hope that you will
find happiness and success in life,
and continue to be the same
sweet, beautiful, young lady that
I really care for.
Always,
Vince Woods

Mita,

I don't see how you got so many people to sign this when you haven't even been to school in a week. I don't call what

they say, you had none.

I really won't mean anything to say that you're great and all that stuff because you can look through the annual and see that. Man, you got everything! But you really deserved it.

I want to tell you that you're the kind of girl that makes it real hard for a person to be prejudiced. You and Buttermilk have made it impossible for me. I hope your life will be as much success as it has been these past four years.

Good luck with all those boys (I don't want to name them all.) I'll always remember you as the meanest, blackest friend I ever had.

Pena Dr. 70/21

ORGANIZATIONS

Organizations communicate for a school. A band concert, a school play, a student publication, the contribution of a service or scholastic club, all speak for a school as well as for the students who are involved.

A TIME FOR REMEMBERING . . .

LYNCH SCHOOL

1921-1971

In 1921 - fifty years ago - a stone building was opened for high school and elementary students at Lynch, Kentucky. In 1924 the present high school building was erected, and the three-story addition was built in 1939.

The first graduating class of Lynch High School, in 1925, had two members. This year's class has fifty-four members. Lynch High School has graduated 1,951 students.

Since December, 1966, the school has been a member of the Southern Association of Colleges and Secondary Schools. Lynch High School has always been known for its high academic standards and its outstanding athletic achievements.

The Class of 1971 is proud of its heritage, and has kept the torch of tradition aflame while it has kindled new sparks which will light the way for future classes. Each member of the class has, in his own way, added to this heritage as he has grown in knowledge, in understanding, and in maturity.

. . . OUR HERITAGE

WE, TOO, HAVE WALKED

THROUGH ITS HALLS . . .
SAT IN ITS CLASSES . . .

. . . AND PARTICIPATED
IN ITS SPORTS

BUT IT WASN'T ALL HARD WORK . . .

SOMETIMES
WE HAD FUN!

ATHLETICS

BULLDOG SPIRIT - - -

Across the gridiron, the court, the diamond,

It welds players and Bulldog fans into a force

That takes its stand at the goal line.

It is the tenacity that fights against odds,

The humility that crowns a victory.

It gives heart to the cheerleaders

To urge the team on.

It lingers after the last play,

A part of past and future.

Good Luck!

Dear Rita,

In considering our relationship, it's hard for me to find words that will in any way possible describe this relationship. At first, it was really hard for me to understand you, but now, I think I can really understand what you are trying to say to me. I know I've told you many times before how much I like you, but I see that you really need to try and find out what life is really about. To do this, you can't

"Reserved"

be tied to one person. So for me and
for you, I'm not going to try and
hinder you from finding out what life
is really about. I am really counting
on our relationship to be a much closer
one in the future to come. Your being
happy will mean my being happy.

It means a lot to me to be the
one writing ~~one~~ this special page in your
book. I do hope that I am really
special to you. Life will be more
pleasant to me, if I know that
someday after you have seen what
you want in life, you will be
the only special person in my life.
Good luck to you, whatever
future you choose.

Once in my life I met a young lady named ANNITA
She WAS my DREAM come TRUE. Ten years
FROM now you will open this ANNUAL to
your picture and see mind beside yours.
You might say 'I remember him', but when
I open my ANNUAL I will say "I know her!"
To me a teacher you ARE, for you have
shown me the way on so many things:
I could not write a page, so this half will
have to do.
Good luck in the future and so long from
me to you.

has. You've helped to live things

up around here & made chemistry

class a lot better and easier to

take. I hope you can remember

all the fun we had as well as I

do. Because of those memories

are golden and can pull you

through all kinds of trouble.

Good luck in all you do.

But through the years I've enjoyed being
your close soul sister in school. We've
shared many experiences together.

Always remember me as life because
I try to please everyone. Good Luck
in the Future.

So my long-to-see Sister,
But I'm back to stay for a little while, but to
me it never seen as though we were apart. I'm glad
that I took this opportunity to return to Kentucky.
Being as close as we are there's really nothing to
say. For I hope that you know how I feel about
our closely sisterly friendship. For I hope your
future be as bright as your smile. May we always
remain the best of friends, because there's no ship
as good, bright & good as both our friends. May
you succeed in everything that you go after in life.
Best of luck with that special main stick of a man
